Clarification:

- Line 1: column 2 reflects the total number of valid votes casted in favour of the proposal (with the percentage that this number represents of the total valid votes casted) and column 3 reflects the percentage that this total number represents of the total issued share capital.
- Line 2: column 2 reflects the total number of valid votes casted against the proposal (with the percentage that this number represents of the total valid votes casted) and column 3 reflects the percentage that this total number represents of the total issued share capital
- Line 3: column 2 the total number of valid votes casted (= the total number of shares for which votes have been validly casted) and column 3 reflects the percentage that this total number represents of the total issued share capital
- Line 4: column 2 the number of abstentions.
